# Adding Navigation Drawer

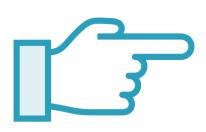

Sriyank Siddhartha Author

linkedin.com/in/sriyank

### Implementing Navigation Drawer

Add DrawerLayout and NavigationView - activity\_main.xml

Add menu items and header layout in NavigationView

Connect navigation drawer with NavController (Navigation Component)
- MainActivity.kt

### Summary

#### **Navigation Drawer**

- DrawerLayout
- NavigationView
  - Header layout
  - Menu items

#### **Navigation Component Library**

- Navigation Graph
- Navigation Controller
- Navigation Host Fragment
